RESPONSE TO MISSING PARTS NOTICE

Mail Stop Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

On June 28, 2004, the Patent Office mailed a Notice to File Missing Parts in the above-referenced patent application. The Undersigned respectfully submits that the Notice was mailed in error, and as such should be withdrawn with no fee being charged to the Applicant.

Attached hereto (Tab A) is a photocopy of the Declaration that was filed with the original application in the above-referenced patent application. The Declaration, as filed, is fully executed by all inventors and complies with the requirements of 37 CFR. Also attached hereto (at Tab B) are photocopies of the certificate of express mail filed with the above-referenced patent application, as well as the return postcard received from the USPTO. Both of these documents evidence that an executed Declaration was enclosed with the original filing of this patent application. Accordingly, it appears that the Notice to File Missing Parts was mailed in error as a fully-compliant Declaration was filed with this application.

Since a photocopy of the original Declaration accompanies this Response, no additional information is believed to be required by the U.S. Patent and Trademark Office in order to begin examination of the above-referenced patent application. Further, since the Notice to File Missing Parts was mailed in error, no fee is believed to be due in connection with this Response. If, however, any fee is deemed to be payable, you are hereby authorized to charge any such fee to deposit account 20-0778.

Respectfully Submitted,

**THOMAS, KAYDEN, HORSTEMEYER
& RISLEY, L.L.P.**
